COMMENT “CLIENT” GUIDE

4 prompts, aaj 20 leads

Freelancers ke liye: ideal client → kahan milenge → cold DM → follow-up. Chaaron prompts + DM templates.

Kaise use karein

Ye prompts ChatGPT ya Claude, kisi mein bhi chalenge. Order mein chalao, aur har jawab agle prompt mein use karo.

01 Ideal client

COPY ⧉

```
Main [service, jaise "restaurants ke liye Instagram reels editing"] karta hoon. Mera experience: [X]. Price range: ₹[A]-₹[B].
Mera ideal client kaun hai? 3 options do. Har ek ke liye: business type, size, city/online, unki sabse badi problem jo main solve karta hoon, aur wo kyun abhi paise denge. Phir best 1 recommend karo.
```

02 Kahan milenge

COPY ⧉

```
Mera ideal client: [prompt 1 ka jawab].
Ye log online kahan milenge? Platform + exact search terms do (Google Maps search, Instagram hashtags/keywords, LinkedIn filters). Aur ek checklist do jisse main 20 aise businesses chunu jinko meri help ki sabse zyada zarurat hai (jaise "website nahi", "last post 2 mahine pehle").
```

> 💡 Shortcut: Restaurants / clinics / salons → **Google Maps**. Coaches / creators → **Instagram**. Startups / B2B → **LinkedIn**. Ek Google Sheet banao: Naam, Link, Problem noticed, Status.

03 Cold DM (personalized)

COPY ⧉

```
Main [service] karta hoon. Ye lead hai: [naam, business, link, jo problem maine notice ki].
Ek cold DM likho (Hinglish, max 50 words): unka naam + unki ek specific problem + ek free actionable tip + ek chhota sawaal. Koi selling words nahi, koi link nahi, koi "I hope you are doing well" nahi. 3 versions do.
```

04 Follow-up

COPY ⧉

```
Is lead ko Day 1 pe ye message gaya: [message]. Reply nahi aaya.
Day 3 ka message (ek naya quick tip) aur Day 7 ka message (unke business ke liye chhota before → after idea + soft call offer) likho. Max 40 words each. Pressure-free tone.
```

DM template (formula)

```
Hi [Naam]! [Business] ka [cheez] dekha, [genuine compliment].
Ek cheez notice ki: [specific problem].
Quick tip: [1-line free fix].
Kya ye abhi aapke liye priority hai?
```

Daily routine (1 ghanta)

1. 10 naye leads sheet mein (prompt 2 ki checklist se).
2. 10 personalized DMs (prompt 3).
3. Purane leads ke follow-ups (prompt 4).
4. Replies ko 24 ghante ke andar jawab.

⚠️ **20 leads ≠ 20 clients.** Har DM personalize karo; copy-paste = spam aur account restrict ho sakta hai. Ek din mein bahut saare DMs mat bhejo.
